A.K.M. Niazul Alam

Front-End Developer

nokibn570@gmail.com | 8801860978120

[in LinkedIn] [GitHub]

Summary

I'm a professional Front-end developer with expertise in HTML, CSS, JavaScript, React JS, Bootstrap, and jQuery. Skilled in creating responsive and intuitive web interfaces, with a focus on user experience and modern web design principles. Eager to contribute to real-world projects and grow within a collaborative team. While I have no professional experience, I am passionate about web development and committed to delivering high-quality solutions.

Featured Project

Share Your Emotion (SYE) E-Commerce Platform

HTML   CSS   Bootstrap

It's a eCommerce platform. Major platform features include - buy and sell products.

More Challenges

- Filter Search Functionality
- Login
- Add to cart
